## INDEPENDENT AUDITOR'S REPORT

### Report on the Financial Statements

I have audited the accompanying financial statements of Humane Society of Pagosa Springs, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, cash flows, and functional expenses for the year then ended.

The prior year summarized comparative information has been derived from the Organization's financial statements and, in our report dated July 15, 2020; I expressed an unmodified opinion on those financial statements.

### Management's Responsibility for Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

NOTES TO THE FINANCIAL STATEMENTS  
December 31, 2020

**NOTE A – NATURE OF CORPORATION AND SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

The Humane Society of Pagosa Springs, Inc. is a non-profit corporation whose primary objective is to protect and prevent cruelty and neglect of animals in Archuleta County, Colorado. The organization is primarily supported by contributions from the public and income from a thrift shop. This organization was started in 1984.

**Basis of Presentation**

The financial statements of the Organization are prepared using the accrual basis of accounting. The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction.

Net Assets Without Donor Restriction – Net assets that are not subject to or are no longer subject to donor-imposed stipulations.

Net Assets With Donor Restriction – Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

Revenues are reported as increases in net assets without donor restriction unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on the net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets. The Organization has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

**Contributions**

Contributions, which include unconditional promises to give, are recognized as revenues in the period received. Conditional promises to give are not recognized until such time as the conditions are substantially met.

A Colorado Non-Profit Corporation

NOTES TO THE FINANCIAL STATEMENTS  
December 31, 2020

**NOTE A - NATURE OF CORPORATION AND SIGNIFICANT ACCOUNTING POLICIES**  
(Continued)

Contributions of non-cash assets are recognized at their estimated fair market value on the date of contribution. Contributions to be collected in future years are recorded at fair value when the promise is made.

A substantial number of volunteers donate significant amounts of time in the furtherance of the Organization's objectives. The value of these services is not recognized in these financial statements as they do not meet the specific criteria for recognition under generally accepted accounting principles.

**Cash and Cash Equivalents**

The Organization considers all highly liquid assets purchased with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents consist primarily of checking accounts and certificates of deposit that are stated at fair value, which approximates cost. The Organization maintains its cash and cash equivalents in depository institution accounts that are within federally insured limits. The Organization has not experienced any losses in such accounts.

**Property and Equipment**

Property and equipment are carried at cost or, if donated, at the fair value on the date of donation. The Organization follows a policy whereby it capitalizes purchases of property and equipment greater than \$500. Depreciation is recorded using the straight-line method over the following estimated useful lives:

Buildings and Improvements	40 years
Furniture, fixtures, and equipment	3 to 10 years

**In-Kind Gifts**

The Organization recognizes contribution revenue for certain donated services and materials received at the fair value of those services and materials. During the years ending December 31, 2020 and 2019, contributed services and materials totaled \$20,450 and \$14,171.

NOTES TO THE FINANCIAL STATEMENTS  
December 31, 2020

**NOTE A - NATURE OF CORPORATION AND SIGNIFICANT ACCOUNTING POLICIES**  
(Continued)

**Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**Income Taxes**

The Internal Revenue Service has classified the Organization as tax-exempt under Section 501(c)3 of the Internal Revenue Code. Accordingly, no provision for Federal income tax has been made in the financial statements. The Organization follows the guidance of Accounting Standards Codification (ASC) 740, *Accounting for Income Taxes* (ASC 740), related to uncertainties in income taxes, which prescribes a threshold of more likely than not for recognition and derecognition of tax positions taken or expected to be taken in a tax return. There are no such uncertain tax positions for the Organization for the year ended December 31, 2020 and 2019.

Forms 990, *Return of Organization Exempt from Income Tax*, for the years ended December 31, 2017, 2018, 2019 and 2020 are subject to examination by the Internal Revenue Service, generally for three years after filing.

**Subsequent Events**

Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are issued. The Organization recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including the estimates inherent in the process of preparing the financial statements. The Organization's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of financial position but arose after the statement of financial position date and before financial statements are available to be issued.

**Use of Estimates**

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS  
December 31, 2020

**NOTE B – CASH AND CASH EQUIVALENTS**

**Deposits**

Following is a reconciliation of the Humane Society's cash as shown in the basic financial statements:

	<u>2020</u>	<u>2019</u>
General fund checking	\$ 189,659	\$ 132,126
General fund Money Markets	<u>142,392</u>	<u>162,221</u>
Total Cash	<u>\$ 332,051</u>	<u>\$ 294,347</u>

The Organization maintains its cash deposits in accounts at various financial institutions which, at times during the year may exceed the federally insured limits. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution.

**NOTE C - ADVERTISING COSTS**

Advertising costs are expensed as incurred.

**NOTE D – INVENTORY**

The Organization receives contributions of goods and materials (inventory) and processes these contributions as merchandise available for sale in its retail thrift store. Financial accounting standards require that contributions received be recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses, depending on the form of the benefits received and that they be measured at their fair value.

The Organization believes that the inventory of contributed goods and materials does not possess an attribute that is easily measurable or verifiable with sufficient reliability to determine an inventory value at the time of donation. It is only through the value-added processes that prepare the donated inventory for sale that the donated inventory has value.

Accordingly, contributed goods and materials inventory are valued at zero prior to being offered for sale.

HUMANE SOCIETY OF PAGOSA SPRINGS, INC.  
A Colorado Non-Profit Corporation

NOTES TO THE FINANCIAL STATEMENTS  
December 31, 2020

**NOTE D – INVENTORY** (Continued)

The Organization considers the costs associated with bringing the donated inventory to sale (i.e., donation collection, transportation, sorting and pricing expenses) in its estimate of the fair value of inventory. The difference between year-end inventory valuations is shown on the Statement of Activities as Contribution Income. Contribution Income was \$15,290 as of December 31, 2020 and \$5,283 as of December 31, 2019. The 2020 increase of \$15,290 is reported in cost of sales.
